

G.N. 2562

URBAN COUNCIL

STREET NAMES

Notice is hereby given under section 111C(1)(a) of the Public Health and Urban Services Ordinance, Chapter 132, that the following thoroughfares in Eastern District, Hong Kong, will be known as from the date of this notice as described hereunder:—

<i>Serial No.</i>	<i>Description</i>	<i>Name</i>
1.	A road as shown coloured pink in Drawing No. CM 251, commencing at Victoria Park Road at a point north-east of the Victoria Park and running eastward for a distance of approximately 250 metres where it turns northward running for a distance of approximately 300 metres, where it is joined by slip roads onto and from Hing Fat Street. It then turns north-easterly running for a distance of 750 metres, where it turns eastward and after 200 metres is joined by slip roads onto and from Tong Shui Road, and again after 700 metres is joined by a slip road onto Java Road and a slip road from King's Road. It continues to run generally in an easterly direction for a distance of 450 metres where it is joined by slip roads branching off northward from Java Road, and running easterly for a distance of 1 100 metres is joined by slip roads onto and from Taikoo Shing. The road continues to run in an easterly direction for a distance of approximately 350 metres where it turns gradually southwards and after a further distance of 200 metres is joined by slip roads onto and from the Kornhill Development. The road continues to run southwards for a distance of approximately 150 metres where it turns to a south-easterly direction for a distance of approximately 900 metres over the Sai Wan Ho Reclamation and is then joined by slip roads onto and from the Shau Kei Wan Interchange. The road continues eastwards for a distance of approximately 250 metres, then turns north-easterly and then easterly around the A Kung Ngam area over a distance of approximately 600 metres to reach the Lyemun Barrack boundary. The road then runs in a south-easterly direction for a distance of approximately 1 100 metres where it turns southwards and after a distance of 350 metres is joined by slip roads onto and from the Wing Tai Interchange. The road continues to run southwards for a distance of 750 metres to join Chai Wan Road.	ISLAND EASTERN CORRIDOR
2.	The existing Wing Tai Road is extended as shown coloured yellow on Drawing No. CM 251. The road extension commences from the existing Wing Tai Road and runs in a north-westerly direction for a distance of 350 metres where it turns northwards and running for a further distance of 100 metres joins the Island Eastern Corridor.	WING TAI ROAD

Drawing No. CM 251 may be inspected in the General Registry of the City Services Department, Central Government Offices (West Wing), 12th floor, 11 Ice House Street, Hong Kong.
