"THE FOREIGN COMPENSATION (HUNGARY) (REGISTRATION) ORDER, 1954 (S.I. 1954 No. 219)

THE FOREIGN COMPENSATION (ROUMANIA) (REGISTRATION) ORDER, 1954 (S.I. 1954 No. 221)

THE FOREIGN COMPENSATION (BULGARIA) (REGISTRATION) ORDER, 1954 (S.I. 1954 No. 220)

The purpose of these Orders in Council is to enable the Foreign Compensation Commission in London to receive applications to register details concerning claims relating to nationalization or expropriation of British property, or interests in property, in Hungary, Roumania or Bulgaria.

The Foreign Compensation Commission already have the names and addresses of a number of persons who have written to the Foreign Office, and application forms will be sent to them at those addresses. If, owing to changes of address, the application forms are not received within a short time, those applicants should write to the Secretary, Foreign Compensation Commission, 1, Princes Gate, London, S.W. 7, giving their names and addresses and stating under which Order in Council they wish to apply for registration. Other persons who wish to apply should write direct to the Secretary, Foreign Compensation Commission.

It is emphasized that no assurance can be given that an application, or the registration of a claim under the above-mentioned Orders, will necessarily be followed by negotiation by Her Majesty's Government in respect of that claim with any foreign Government, or that any compensation will be obtained. If, in due course, negotiations are undertaken concerning these or any other categories of claims with a foreign Government information contained in claims registered under these Orders may be of assistance to Her Majesty's Government.

No application to register other categories of claims in respect of these countries should be sent to the Foreign Compensation Commission. Arrangements for obtaining information about claims against the countries concerned, which are not within the scope of the present Orders, will be announced later by the appropriate Department of Her Majesty's Government."
