No. 803.

MEDICAL DEPARTMENT.

The following is published for general information:—

HONG KONG

Ordinance No. 7 of 1936 (Quarantine and Prevention of Disease).

Quarantine (Measures on Arrival) Regulations, 1939.

Under and by virtue of the powers conferred by the Quarantine (Measures on Arrival) Regulations, 1939, published as Government Notification No. 621 in the *Gazette* of 4th August, 1939, and amended by Government Notification No. 68 in the *Gazette* of 24th May, 1946, the Director of Medical & Health Services prescribes as follows:—

- (1) As from the 28th June, 1950, all passengers and crew arriving in Hong Kong from Sourabaya shall produce a valid certificate of vaccination against smallpox.

- (2) A valid certificate of vaccination against smallpox in respect of passengers arriving in Hong Kong from Sourabaya is one which:—

- (a) shows that the holder has been vaccinated not more than three years before embarking in Sourabaya for Hong Kong;
- (b) shows that the result of the vaccination has been observed and recorded in one of the following terms, viz. (i) "immediate reaction" "reaction of immunity" or "immune"; (ii) "accelerated reaction" or "vaccinoid"; (iii) "typical primary vaccinia" or "vaccinia"; a certificate of "unobserved" or "no reaction" will not be accepted;
- (c) bears a photograph of the holder and should be embossed or stamped with an official seal, or alternatively have the number of the passport or identity card of the holder noted thereon (provided that such identity card is issued by or on behalf of the Government and incorporates a photograph of the holder).

The certificate must be signed or countersigned by a Medical Officer or Health Officer occupying an official position in the services of a Government or Municipal Health Department.

I. NEWTON,
Director of Medical & Health Services.

28th June, 1950.
